

# Georgia Burnside

## Software Engineer

[burnsidegeorgia@gmail.com](mailto:burnsidegeorgia@gmail.com) | [gburnside.com](http://gburnside.com) | [LinkedIn](#) | [Github](#) | 845-901-3906 | New York, NY

---

**Summary:** Full-Stack Software Engineer with a passion for problem-solving on and off the screen.

---

## Skills

Rails	React.js	CSS	Adobe Suite
Ruby	Javascript	HTML	Avid/Pro Tools
REST API	JSON	GitHub	

---

## Technical Projects

**Area Apps** - Github: [Frontend](#) / [Backend](#)

*Discover applications from the Google Play store that are relevant to your location.*

- Integrated Google Places API to fetch accurate business data for a specific area
- Built a Ruby on Rails backend to allow users to store bookmarked search results for later use
- Implemented Bcrypt to safely encrypt user's password information

**EweTube** - [Github](#)

*A video hosting site where you can watch some of the internet's best sheep-related content.*

- Engineered a single-page application using React and React Routers to create a more organized dev environment
- Customized the attributes of iframes to render videos to give users a smoother viewing experience
- Managed multiple Github branches to organize a shared workload within our team

**Guess That City** - [Github](#) | [Website](#)

*Generate an image of a random city and guess its name for a fun learning experience.*

- Utilized basic Javascript and CSS to make a simple yet entertaining application
  - Adapted a third-party API to dynamically fetch data from several different endpoints
  - Demonstrated basic understanding of event listeners to create an intuitive user interface
- 

## Experience

**Record Retention Clerk**, Rondout Savings Bank, Kingston, NY Jul 2021 – Feb 2022

- Organized and maintained 2700+ loan records to optimize productivity within the Loan Service department.
- Collaborated with a team of loan administrators to update existing loan records to protect the integrity of the bank's investments.

**Reservations Administrator**, Luxe Hotels, Los Angeles, CA Jan 2018 – Apr 2019

- Assisted the manager in overseeing the reservations for 150 rooms at Sunset Blvd. and Rodeo Dr. properties
  - Met with guests to build positive guest relations and directly accommodate guest requests
  - Tracked reservations made through third parties paying special attention to vet fraudulent bookings
- 

## Education
